

Dear Friends,

I am writing to you today to ask for your assistance. Many of you have probably heard about the house fire that occurred in University Park that left a family with 3 children homeless. A couple of years ago, our community rallied to help families that lost their homes in the Springhill Lake Apartment fires, and today, I am asking for your help again. While there has already been a tremendous outpouring of contributions from the neighborhood, the family is still greatly in need. Right now, the most helpful gifts we can give are monetary donations and gift cards. All donations for the Furlong Family can be sent to: Holy Redeemer School, Attn: Julie Weeks, 4902 Berwyn Rd, College Park, MD 20740. Thank you in advance for your generosity.

On another note, I wanted to remind everyone that you are invited to my annual holiday party on December 15th from 7-11pm at the Galaxy Bar and Grill. For those who have not attended before, it is a really fun event that benefits a local charity. This year, the money we raise will go to [Food & Friends](#), a group that provides meals, groceries and nutrition counseling to people living with life-challenging illnesses such as AIDS and cancer. Our goal is to raise \$5000 for this event, so please try to make it. I look forward to seeing everyone there.

Thank you all for being so generous during this holiday season!

Sincerely,

Justin Ross
