

Hello «Nick Name or FirstName»,

Combating Veterans' Homelessness in Prince George's County

On Friday, December 4th, I had the pleasure of hosting a roundtable discussion concerning veterans' issues in Prince George's County. Federal, State and County officials joined me in Annapolis to discuss strategies for combating veteran homelessness and increasing support services for our returning heroes. This meeting could not have been possible without the initiative and hard work of John 14:2, a veterans' organization in Prince George's County dedicated to fighting homelessness and led by veteran, Ginger Miller (pictured with husband, William Miller, left).

Our goal this holiday season is to raise \$5000 for Food & Friends, so please try to attend. I look forward to seeing everyone there!
